if the pay proposed for the auditors is quite sufficient & whether men appointed on those salaries can work satisfactorily. They may be perhaps fixed at 100 Rs & 80, as they have very responsible work to do and so about visiting institution after institution, and investigate their accounts and Expts & take all necy action to augment the former. It is also necy that the auditors should have experience of Mussai accounts and a thorough grasp of the requirements of the Mussai Institutions they have to handle.

clerk - However as the hand is worked for only up to the end of June 1926, the proposal of the Mysy Commr. if ~~he~~ he so desires might be delay in the submission of the necessary statistics required for the final working out of the Mysy Sch. 7D scheme -

As regards the entertainment of the auditors I strongly support the Mysy Commr's recommendation - As I have pointed out in a note separately submitted, the initial Mysy accounts in Dt. and Dy offices cannot be synchronized unless provisional auditors are appointed to check those accounts and render any help in the rectification of irregularities -

The auditors may be on the temporary scale in the first instance, and after some experience of the arrangement gained, the question of placing the scheme on a permanent basis may be ~~further~~ considered. A set of instructions for regulating the work of the auditors will have to be drawn up in consultation with the Comptr.

The cost of the audit staff may be met out of the Mysy Sch. 7D.

As the Mug Govt 72 has not been framed, the whole cost has to be debited to the Interest on investments in 3½ pc Rangoon loan Bonds. At the Conference held some time ago, it was decided to appoint the auditors for a period of 3 years in the first instance. One year is too short a period for them to do any work of a satisfactory character.

A revised draft order is submitted for appl or orders.

Draft revised, ~~in the light~~ in the light of the member's remarks, & a clear typed draft put for approval.

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to Government Proceedings No.902-3/M.F.169-23-4 dated 23rd January 1926 passing orders regarding the muzrai establishment Fund, I have the honor to state that statistics in respect of information required in para 6(a) of the order have been called for from the Deputy Commissioners and every attempt will be made to furnish the statements in time.

In this connection I beg to state that the information to be collected and consolidated pertains to nearly 140 major and 1200 minor Institutions. In the case of the latter, the scales have either to be fixed or revised so as to make suitable provision for the percentage contribution. This work, the correspondence with the District authorities in respect of the minor Institutions and the consolidation and the compilation of final statements ---- cannot be attended to satisfactorily with the present staff in this office. Two clerks are working under Mr. Mrityunjaya Iyer since July 1921 and when they are relieved of their special duty by the 15th Instant, they will not be available for this work as they will have to work at the statements further in tracing the untraced ---- items, consolidating the figures of the two periods, intimating the balances to Districts and Taluks and other miscellaneous items of work. As the work connected with the Fund has to be pursued with

great

great care and promptitude the services of a whole-time clerk are very necessary. I beg therefore to solicit sanction of Government for the temporary entertainment of a clerk on Rs.50/- a -- month from 15th March to the end of June 1926, the charge being - debitable to the Muzrai Establishment Fund.

2. As regards the appointment of a small audit staff, I beg to state that the Government Order of 2nd April 1917 contemplates the appointment of two sets of officers, viz., Efficiency audit officers and Account Audit officers at a total cost of Rs.4240-0-0 a year. As both these officers are expected to do the same kind of work-more or less-the appointment of two different sets of - auditors seems to me to be unnecessary, I am of opinion that, to

(1) Mysore, Hassan and Shimoga (2) Bangalore, Kolar, Tumkur, Chitaldrug and Kadur.	begin with the eight districts may be formed into two units

as noted in the margin and two audit officers, one on Rs.80/- and one on Rs.70/-appointed immediately for the independent and --- systematic check of the work of the various Institutions and -- offices. Together with a provision of Rs.1000/- a year towards contingent and travelling expenses the total cost will come to Rs.2800/- against Rs.4240/- estimated in the order of 2nd April 1917. The feasibility of strengthening the establishment will be subjected to a re-examination after some experience is gained and when formulating final proposals in respect of the establishment required for the several offices. I request the favour of very early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Ramaswamy

Muzrai Commissioner.
